**National Medicines Regulatory Authority**

**Recall of Batch Due to a Quality Defect**

With reference to NMQAL report on failing samples No. NDL/C/DU/B17/17 dated 6<sup>th</sup> March 2020, NMRA notifies the withdrawal from use of the following batch:

**Product:** Bisoprolol Fumarate Tablets USP 5mg (BRISOTOL 5)

**Manufacturer:** Fredun Pharmaceuticals Ltd, 14, 15, 16, Zorabian Industrial Complex, Vevoor, Palgar (E) – 401 401, India

**Batch No:** FG9016

**Date of Manufacture:** 07/2019

**Date of Expiry:** 06/2022

**Failure/Defect:** 1) Some boxes/sealed packs contain less number of tablets than stated on the label of the outer carton

All those having stocks of the above batch in their possession are advised to withdraw the batch from use and keep such stocks in a demarcated and secured place until formally disposed of. Also take necessary steps to inform the consignment details of any other batches pertaining to above product in stock to Director, National Medicines Quality Assurance Laboratory, in order to facilitate further sampling

Dr. Kamal Jayasinghe  
Chief Executive Officer  
National Medicines Regulatory Authority
